NORTH BAY HAVEN
SYNTHETIC TURF

ADDENDUM #1

1. Name Change:

   Project name is North Bay Haven Synthetic Turf. The attached specifications have been updated. Any reference to 'astroturf' should be considered a colloquialism.

2. Revised Plans:

   Attached are revised plans. Plans have removed any 'astroturf' reference. The flat panel drains are specified as 'J-Drain SWD – 12". The geotextile liner, below the stone base, is shown as Mirafi 160N.

3. Revised Specifications:

   Attached are revised specifications that have removed any 'astroturf' reference. An additional specification for synthetic turf has been added to the document.

4. Geotechnical Engineering Reports:

   Attached are two geotechnical engineering reports performed for this project.

5. Answers to Bidders' relevant questions:

   Q1: Please clarify permitting costs.

   A1: There are no permitting costs.

   Q2: Please clarify if contractors are to provide a payment and performance bond.

   A2: Yes. See Contract Documents & Specifications.

   Q3: Please clarify if spoils will remain on site or hauled from the property.

   A3: The Contractor shall remove any unsuitable soils from the property.

6. Additional Information:

   - Please see attached an exhibit for field markings: football, soccer, lacrosse, and flag football.
   - Please see attached an exhibit showing midfield logo, end z one letters, and field color.
   - Please see attached Pre-Bid Meeting Attendees & Distribution List
   - Bidder shall include the acknowledgment of receipt of this Addendum #1.
