## B. SUMMARY REPORT

1. Summary analysis of the local labor market based on the industry representative needs and education offerings. (Provide summary)  
Reviewed Labor Force, Employment, Unemployment by workforce region for comparison regarding our numbers vs other parts of the state.
2. Information on priority industry sectors and occupations for the local area. (Provide summary)

Looked at LAUS data which showed industries that have gained and lost the most jobs month over month and year over year.

3. Information on the status of existing talent pipelines for in-demand occupations. (Provide summary)

Provided Survey to employers to capture how hiring is going from their perspective for the last quarter. Will review results next meeting.
