

North Bay Haven Charter Career Academy Good Cause Policy

The Good Cause Policy of North Bay Haven Charter Academy is to accept any eligible transfer student from grades 9-12 based on availability and the BHCA lottery system. These students are allowed to participate in interscholastic athletics if they meet the academic eligibility requirements established by the FHSAA. They must also adhere to our mission statement of "As a Community School of 'Choice' for teachers, parents, and students, BHCA, Inc.'s mission is to strive together to teach beyond the standards to meet each child's needs by motivating students to reach their unique potential." A student may transfer and participate in a sport even if he or she participated at another school if the student meets one of the following criteria:

- a. Student(s) who applied for the BHCA lottery prior to the start of the Fall FHSAA athletic season, as listed on the FHSAA website and are accepted within the first twenty (20) calendar days of the start of the school year, will be eligible for athletic participation.
- b. Student(s) who applied for the BHCA lottery prior to the start of the Spring FHSAA athletic season, as listed on the FHSAA website and are accepted within the first twenty (20) calendar days of the start of the spring semester, will be eligible for athletic participation.
