

6th Grade Quarantine Student Information

Parents and Students: This document contains information for all students who find themselves in quarantine. Please consult this document to find out how and where your student should be accessing the information for the classes they have missed. We appreciate you all making an effort to stay as up to date with the lessons while you are in quarantine.

****Per the student handbook, Missed classwork and homework is to be made up on a 1:1 ratio. If the student is absent one day, he/she has one day to make up homework or classwork. If the student is absent two days, he/she has two days to make up the missed classwork or homework, and so on.*
