

North Bay Haven Volleyball

Businesses, family, and friends we need your help.

The NBH Volleyball program's mission is to provide a safe and exciting environment where young women and men can reach their academic, athletic, and personal potential. And our Vision is that through volleyball we instill in them a F.I.G.H.T.ing spirit. That through Family, Investment, Growth mindset, Humility and Toughness we build strong foundational character traits which are crucial to their future success.

NBH Volleyball depends on sponsors like you... We are a self-funded and run program with annual HS girl's costs exceeding \$20,000, MS Girls \$9,000, and HS Boys at \$8,000. This is all due in part to the programs being fully self-funded to pay for busses, referees, uniforms, end of year events, and yearly replacement of damaged equipment like volleyballs.

Come join the NBH Volleyball F.I.G.H.T!

Choose below how you would like to help your scholar athlete and let us recognize your support via gym ad, t-shirt, and/or social media shout outs. Plus, enter free on April 1st for "Sponsor Night" where we take on Choctawhatchee High School.
