

North Bay Haven Volleyball

Businesses, family, and friends we need your help.

NBH Volleyball is a self-funded program that relies on community sponsorships, support, and fundraising initiatives to provide student-athletes with competitive opportunities and high-quality experience. Our program's mission is to provide a safe and exciting environment where young women and men can reach their academic, athletic, and personal potential. Through volleyball, we instill a F.I.G.H.T.ing spirit: Family, Investment, Growth mindset, Humility, and Toughness; character traits crucial for their future success.

While our school provides facility access, additional operational costs are sustained through community partnerships and program fundraising efforts. These costs exceed \$96,000 annually across our High School and Middle School programs and include: transportation, officials, uniforms, equipment, tournament fees, and end-of-year recognition events.

You are vital to the long-term success, accessibility, and sustainability of NBH Volleyball.

Come Aboard: Partner with us today!

Join us October 1st for "Sponsor Night": MS takes on Surfside and HS takes on Bay High School. All our sponsors will be recognized.
